The Powder

The Powder offers roomy, open main floor living areas, complete with “smart spaces” like a mudroom. The upstairs hosts 3 bedrooms, a family room, laundry and baths, taking full advantage of the extra space above an oversize 2-car garage without adding to the home’s footprint. Find even more room available in the standard unfinished basement, or eliminate the basement for cost savings. (Shown above: River elevation)

Main Floor: 700 sq/ft
Second Floor: 1272 sq/ft
Total Square Footage: 1972 sq/ft
